

**1.Register Page:** To be authenticated first have to be registered.

The screenshot shows a web application titled "Test Your Skill" with a "Signin" button in the top right corner. The background features a laptop and a glass of water on a wooden desk. A registration form is displayed on the right side of the screen. The form contains the following fields: a text input for "Guru", a dropdown menu for "Male", a text input for "M. KUMARASWAMY COLLEGE OF ENGINEERING", a text input for "gurubalaje18@gmail.com", a text input for "6382689205", and two password input fields represented by asterisks. Below these fields, a red error message reads "Email Already Registered!!!". At the bottom of the form is a green "sign up" button. A navigation bar at the bottom of the page includes links for "About us", "Admin Login", "Developers", and "Feedback".

**2. Login:** The Registered User Can be Allowed to view inner details for which he Permitted.

The screenshot shows the same web application as the previous image, but with a login form overlay. The login form is titled "Log In" and contains two input fields: one for the email address "gurubalaje18@gmail.com" and another for a password represented by asterisks. Below these fields are "Close" and "Log In" buttons. In the background, a larger, semi-transparent registration form is visible, showing fields for "Full name", "Gender", "College name", "Enter your email-id", "Enter your mobile number", "Enter your password", and "Confirm Password", along with a green "sign up" button. The navigation bar at the bottom remains the same, with links for "About us", "Admin Login", "Developers", and "Feedback".
